

Ohio Revised Code

Section 5162.07 Federal approval for permissive components not required.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

The medicaid director shall seek federal approval for all components, and aspects of components, of the medicaid program for which federal approval is needed, except that the director is permitted rather than required to seek federal approval for components, and aspects of components, that state statutes permit rather than require be implemented. Federal approval shall be sought in the following forms as appropriate:

- (A) The medicaid state plan;
 - (B) Amendments to the medicaid state plan;
 - (C) Federal medicaid waivers;
 - (D) Amendments to federal medicaid waivers;
 - (E) Other types of federal approval, including demonstration grants.
